

Dear

Congratulations

on your successful appointment to the Inter-professional Graduate Program for Double Degree (Nursing/Paramedicine) graduates for .

Conditions of employment are as outlined in your letters of appointment and your position descriptions.

Your letters of appointment and position descriptions from both Ambulance Victoria and

will be emailed and/or posted to you in due course.

You are required to respond as per instructions to your letters of appointment with in seven days of receiving them.

As previously discussed, this program involves a collaborative appointment between Ambulance Victoria and

and you will rotate between organisations after your first week of health service orientation, on a 12 weekly basis until the completion of your program. The clinical rotation plan is an attachment of your letters of appointment.

Your first week will be at the health service commencing on

Monday

at 0800 hours at

The second week will be allocated as either commencing at Ambulance Victoria or at the health service for your first rotation.

Uniform is required to be worn at your orientation / induction weeks and professional development days unless otherwise indicated. The uniform policies are attachments to your letters of appointment.

Should you have any further questions, please don't hesitate to contact me via email or phone

We look forward to seeing you as you launch into your new career path.

Yours Sincerely
